How to Set Up ACH on EasyShul (Super Easy Steps)

Step 1: Log In to Your Account

• Go to https://kamii.easyshul.com/

• Enter your email → You'll receive a passcode at the email we have on file

• Once logged in:

→ Click Settings

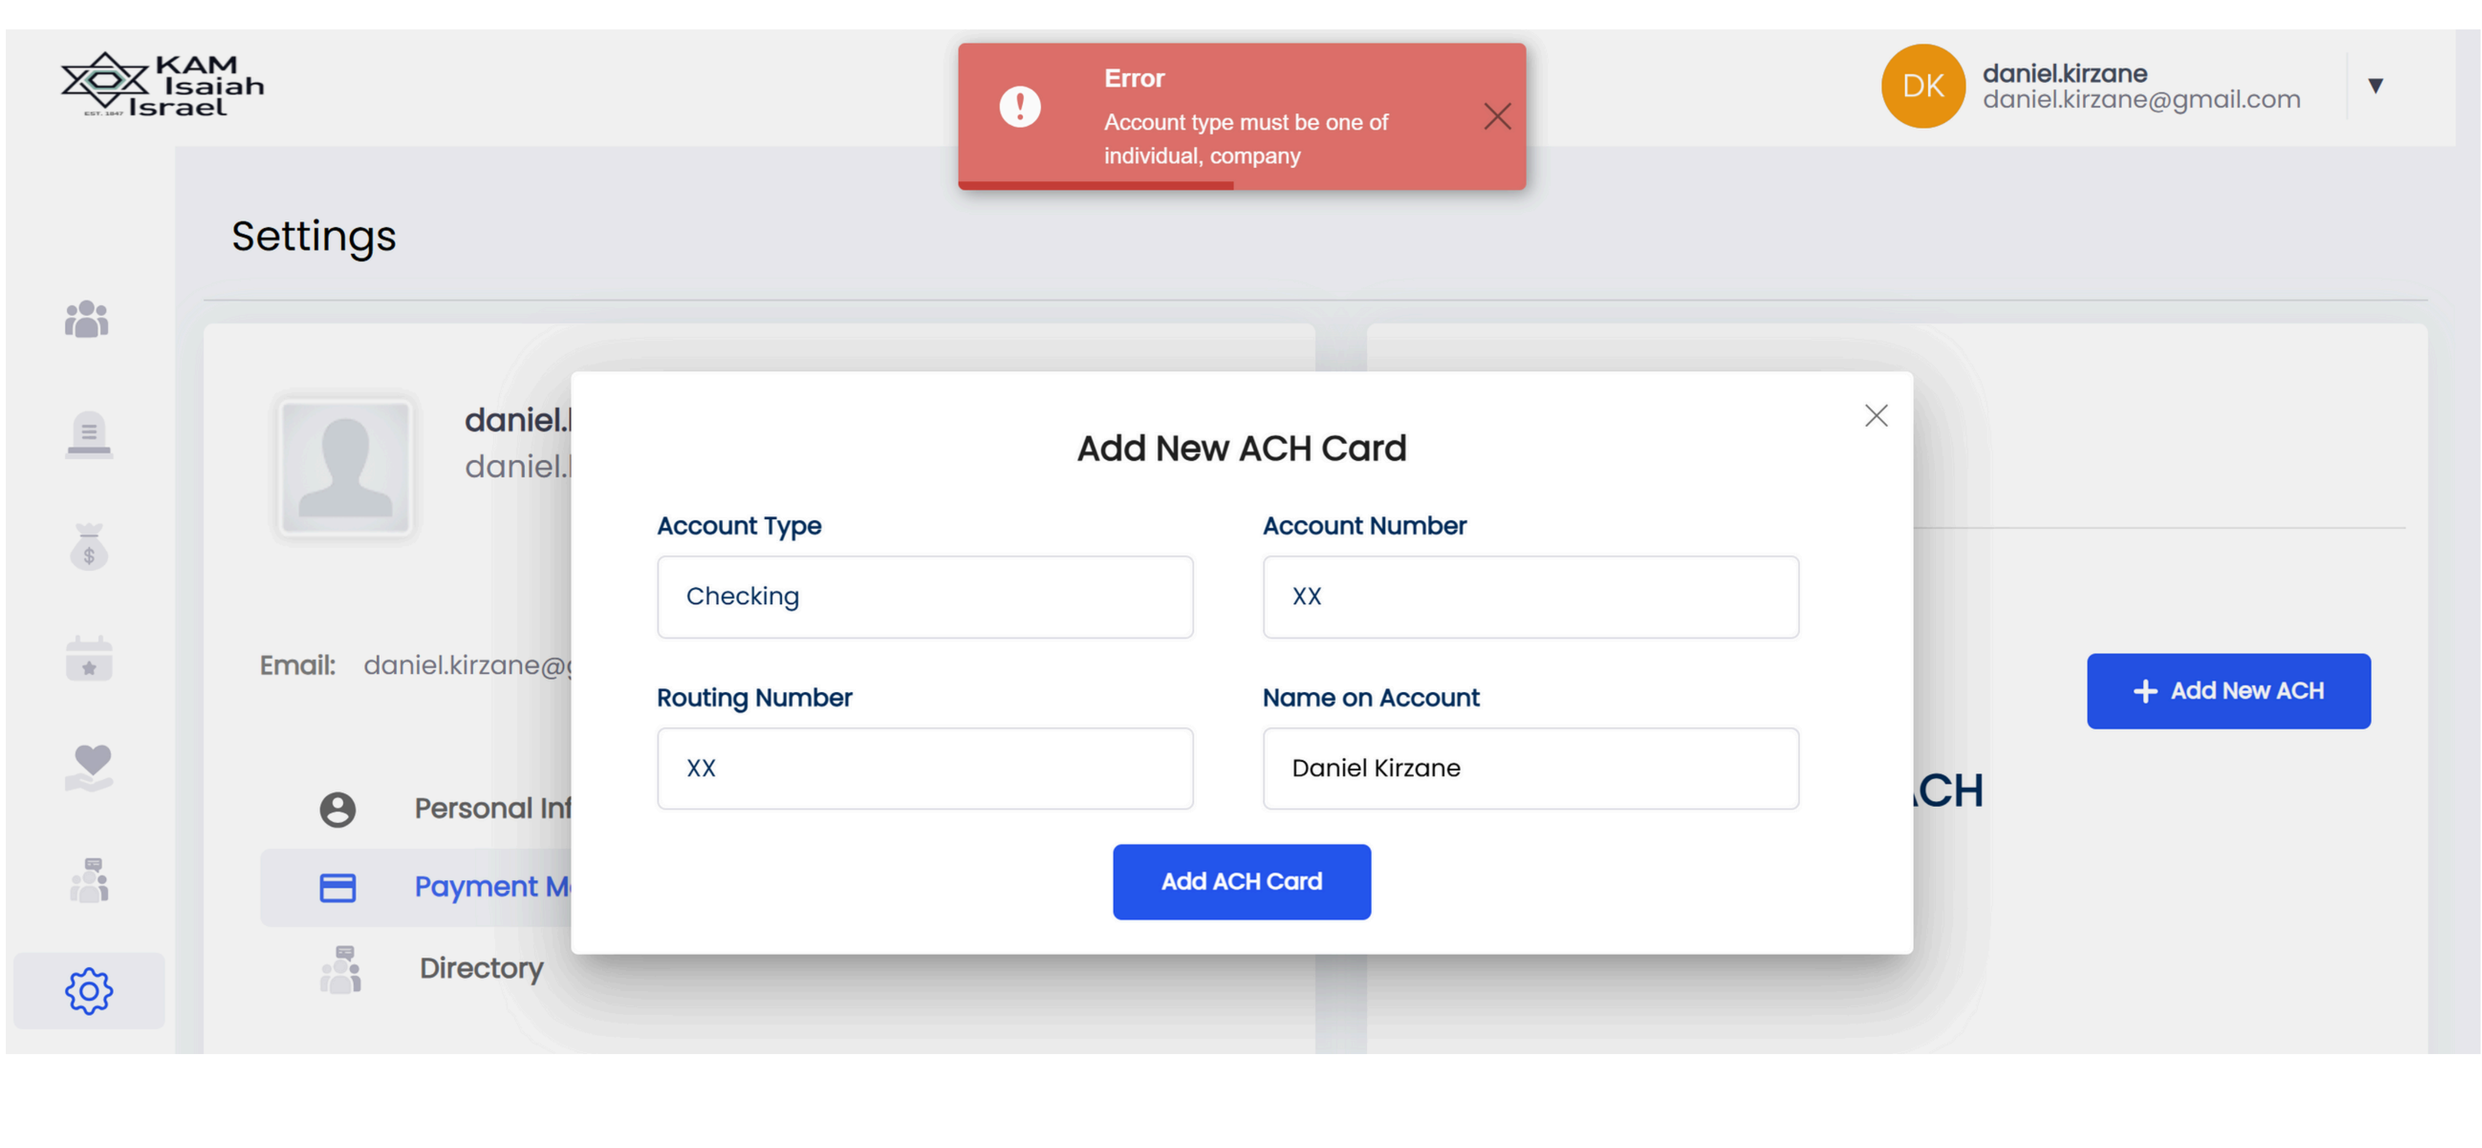
→ Click Payment Methods

→ Add your bank information:

Under 'Account Type' put: **individual** (lower case i)

💡 **This will trigger two small test deposits to your bank account within a few days.**

This process is required by Stripe, our secure payment processor.



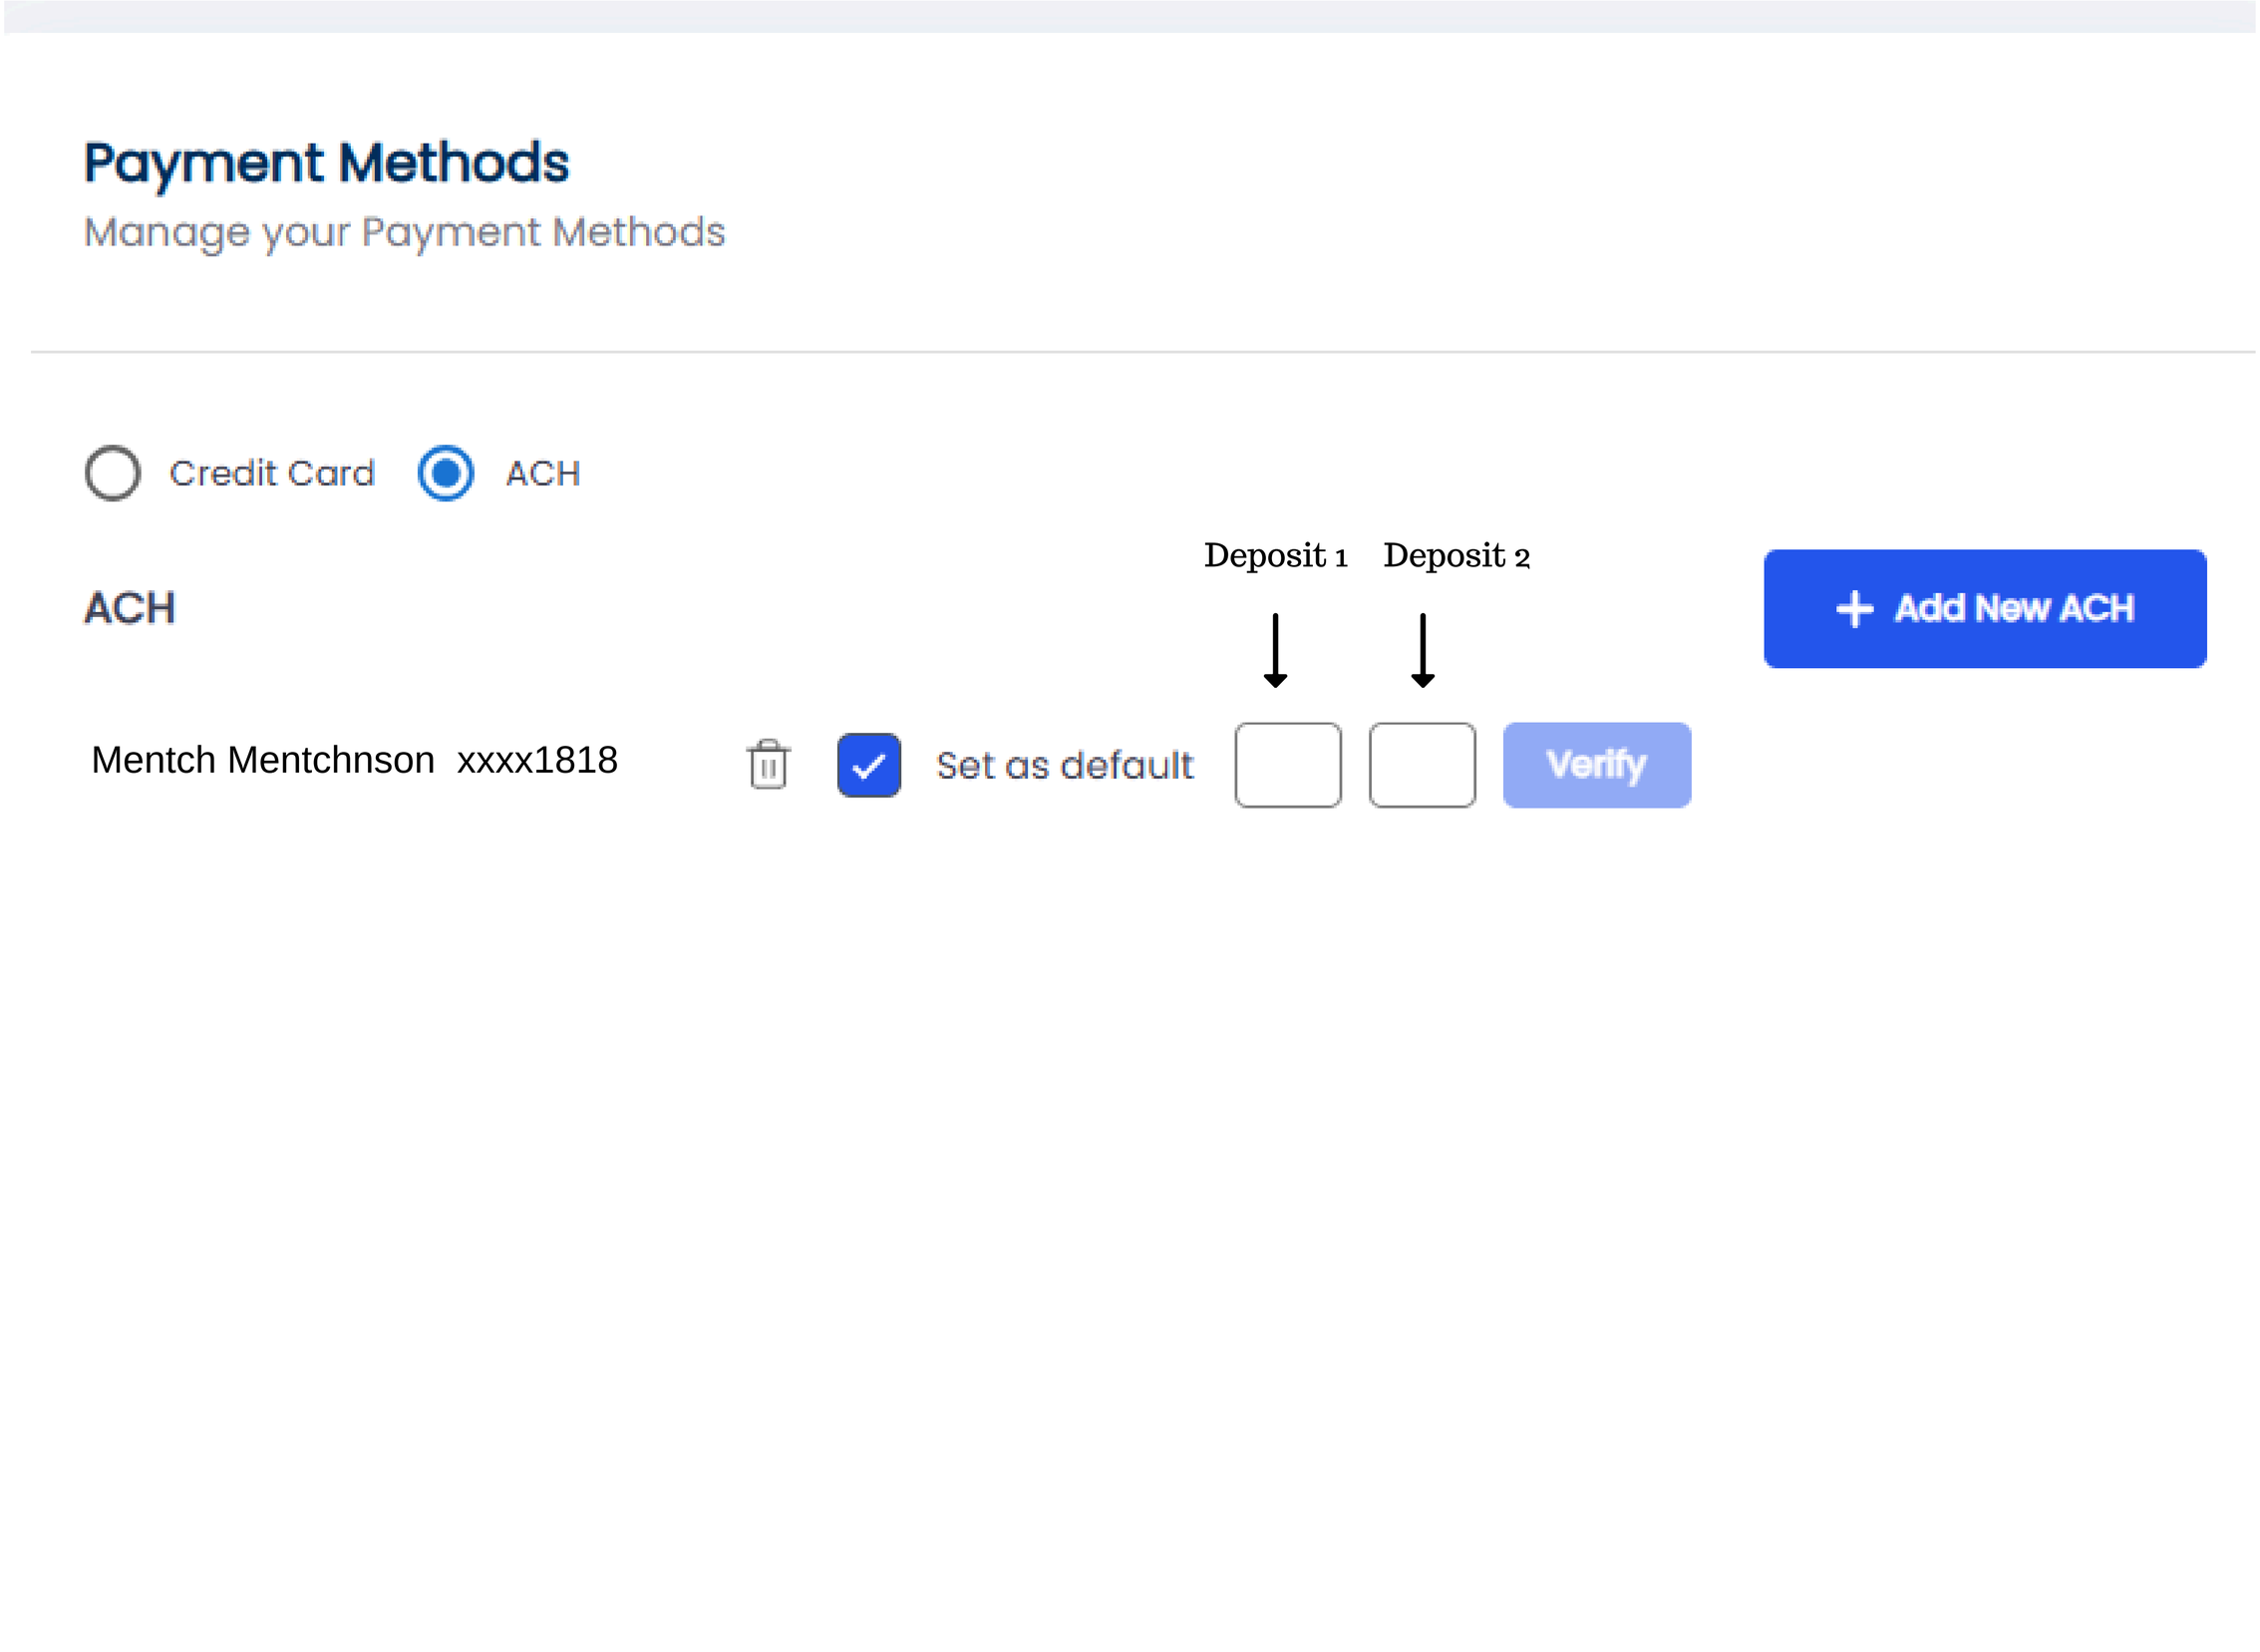
Step 2: Verify Your Bank Account (ACH) Once You See the Deposits

✅ Log in again

✅ Go to Settings → Payment Methods

✅ Click on your ACH account

✅ Enter the two microdeposit amounts in the order they appeared

✅ Click Submit


🔒 This step ensures your account remains secure.
